SB 701 - HB 2063

March 9, 2005

SUMMARY OF BILL: Authorizes a change in the number of members of the county conservation boards from five residents to up to nine residents and for a term of office not to exceed five years.

ESTIMATED FISCAL IMPACT:

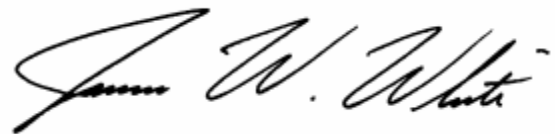

Increase Local Govt. Expenditures – Not Significant

Assumptions:

- County conservation board members are not paid for service on the board, but are paid for actual or necessary expenses.
- Few counties would increase the number of members on such boards.
- Only a small number of counties would actually reimburse such members for expenses.
